Experience

Cox Communication, Atlanta, GA

Media Designer/Illustration/Prepress 2006-2010

Designed, illustrated and animated media for Cox Communications Inc and Cox Business Services.

Worked with the Curriculum Design Specialist to create eLearning and printed work for new hires, training and Customer Service Representatives.

Created GUI and revitalized and improved logos and identity.

Symbolene Systems, Atlanta, GA

Media Designer/Illustration 2008-2010

Worked with educational designers and programmers to design a stand-alone family communication eLearning course for Vanderbilt University.

Created GUI and all interactive course media.

Allen Interactions Inc, St. Paul, MN

Senior Media Designer 2004-2006

Directed, designed and implemented computer based training modules for corporate clients.

Managed teams of media and development people, and functioned as the client's main point of contact.

Provided voice over work for instructional modules.

VBI Studios, Laguna Niguel, CA

Director/Animator 1999-2004

Created over 75 animated cartoons designed for web delivery.

Designed and produced eLearning modules for major corporations, including State Farm, 3M, Veritas and Ecolab.

Wrote, animated, colored, programmed and provided voice-over talent for web-based cartoons.

Education

Metropolitan State University, Minneapolis, MN 2004-2007

Created a customized Bachelors degree based on life and professional experience. Focus was in instructional design, media, marketing and communications.

School of Communication Arts, Minneapolis, MN 1994-1995

3D computer animation / Multimedia Interactive Production

Minneapolis Community College, Minneapolis, MN 1986-1988
